5th October
MARJAN SIMČIČ – Ceglo, Slovenia

Sauvignonasse Collio Sloveno 2015

One of the Classic Brda, made from the youngest vineyards. Its full body and the rich aroma are given by the very mature grapes contained; the taste expands from balsamic herbs to almond.

Rebula Selekcija 2013

Matured 23 months in oak barrels and 6 months in bottle, it has an ageing potential of 10 years. A complex bouquet with notes of ripe citrus, candied fruits, cedar; the taste is soft, warm with a long-lasting mineral aftertaste.

Sauvignon Selekcija 2013

12-months maturing in oak vat, 12 months in French oak barrels and at least 2 months in bottle give this wine complex aromas, from sage to paprika, from wild flowers to tobacco to leather.
Long lasting aftertaste.

Pinot Noir Selekcija 2013

This variety typically improves with the ageing, yet it's perfect to drink during every ageing steps. A complex bouquet with scents of ripe cherries followed by hints of orange peel. The taste starts with ripe fruits fading into a hint of mint. A balanced red wine, pleasantly soft, full-bodied and long-lasting.
